

### **Autism Friendly Training**

This training teaches and promotes awareness of the social, sensory, and environmental barriers which affect people who have autism spectrum disorder. Attendees gain valuable insight and understanding about autism and how to work with, serve, and interact with individuals with autism. This training is designed for companies, organizations, schools, and helping professionals in a variety of workplaces. Possessing a thorough understating of the strengths and uniqueness of individuals with autism provides valuable information to employees, staff, and educators as they interact with those with autism. Schedule an Autism Friendly training today and take a valuable step in increasing autism awareness.

### **We Will Come to You!**

- 1) Schedule a full day training (6 hrs), \$950 training fee plus trainer's travel (flight or mileage) and hotel costs covered. The full day training covers all the autism friendly material – about autism, special considerations and tips, communication and social awareness, and pragmatic ideas for working with and serving those with autism. Hosts can also individual the full day training to meet their specific needs.
- 2) Host a half day training (3 hrs), \$500 training fee plus trainer's travel (flight or mileage) and hotel costs covered. The half day training covers an overview about autism plus special considerations when working with and serving those with autism. Half day trainings cannot be specialized for specific content.

Design your full day training for specific content. Some of our options include: Autism Friendly for first responders, educators, businesses, bus drivers, librarians, school volunteers, home health care workers, places of worship, hair salons, fire departments, police officers, and mental health professionals.

The host person, company, or organization will be responsible to providing a venue for the training. All materials will be emailed to the host at least two weeks prior to the training to either email or print and provide copies to the attendees. All attendees are required to purchase and read the book Autism Friendly: Stars for Autism Training Manual by Dr. Linda Barboa and Jan Luck prior to the training date. Any specialized content may also require purchase of an additional training manual. All required books can be purchased at amazon.com.

### **Blueprint for an Autism Friendly City**

Join other cities who have taken advantage of this unique program to become an autism friendly city! This full day presentation is a step by step guide to creating an autism friendly city by implanting the award-winning program developed for Battlefield, Missouri. This program is for city governments only.
